if the economy improves.

SENATOR LANDIS: Senator DeCamp, for what purpose do you arise?

SENATOR DeCAMP: Mr. President, just trying to solve a problem. If it is not the appropriate solution, we will just withdraw the amendment.

SENATOR LANDIS: Senator DeCamp asks unanimous consent to withdraw the amendment. Is there any objection? So moved. The Chair stands corrected. An introducer may withdraw an amendment at any time with or without objection. The next item before the House... Senator Higgins, for what purpose do you rise?

SENATOR HIGGINS: I would like to rise for a point of clarification. Mr. Chairman, before I spoke on a point of personal privilege, did I ask the Chair whether it was proper or not?

SENATOR LANDIS: Yes, you did.

SENATOR HIGGINS: Did I ask the Chair to check the Rule Book for me?

SENATOR LANDIS: Yes, I did.

SENATOR HIGGINS: Thank you, Mr. Chairman. Now I would like to ask you one other question. When Senator DeCamp just offered his previous amendment and he referred to my point of personal privilege, was that germane to his amendment?

SENATOR LANDIS: At this point I think that the Chair would find that it was germane and I don't think we can go back at this point to reopen the issue.

SENATOR HIGGINS: I don't care to. I think I have made the point. Thank you, Mr. Chairman.

SENATOR LANDIS: Let's proceed to the substantive matters before the House. Mr. Clerk, do you have another amendment?

CLERK: Yes, Mr. President, if I may right before that, Enrollment and Review reports LB 27, 259, and 259A correctly engrossed.

A new resolution by the Speaker. LR 213 (read). That will be laid over.

Mr. President, Senator Warner would move to return LB 629
